Report of Committee on Town Debt

To the taxpayers of the Town of Warwick in annual financial town meeting assembled on November 15, 1910.

The undersigned, as a committee on the town debt, respectfully report that, immediately following our election, this committee met and organized with Mr. Quinn as chairman and Mr. Thurber as secretary. In pursuance of instructions given us by the meeting at which we were elected, this committee instituted a suit at law against each of the councilmen who had illegally drawn the town's money, and we are pleased to assure the taxpayers that, on the 9th day of November, 1910, the Supreme Court rendered a decision which will cause these defendants to disgorge the sum sued for with interest thereon. We recommend that suit be now commenced against the Town Treasurer to recover the \$600. that he took from the town treasury last year, and for the recovery of all other sums illegally paid out by him during his occupancy of the office.

As a sample of the recklessness with which the taxpayer's money has been used we report to you that, on October 10, 1910, a voucher was drawn for \$100, in favor of Attorney Frederick A. Jones. Inquiry by your committee as to what services Mr. Jones had performed for the town elicited the information that he had been paid this sum for services that he rendered to his own client in a suit against the town.

The stubs also show vouchers or orders for payment to the councilmen of two hundred dollars each, whereas the last financial meeting appropriated but one hundred dollars to each councilman.

The indebtedness of the town is as follows :

Bonds.	\$400,000 00
Notes.....	\$400,000 00

This does not include such floating indebtedness as may now be outstanding in the form of bills contracted by the Council or the School Committee.

The Sinking fund now amounts to \$73,695.40.

Respectfully submitted,

P. H. QUINN,
R. T. THURBER.
